

Rent Payments

During Covid-19 Pandemic

March 19, 2020

GVHS recognizes that tenants may have a loss of or reduced income due to Covid-19.

If your income has been affected, please contact us at info@greatervichousing.org as you are eligible for rent deferral or payment plan.

We will send you a rent deferral form to be completed. You will need to supply one of the following to confirm loss of income:

- Record of Employment if no longer working
- Proof of Employment Insurance claim
- Proof of Emergency Care Benefit
- Letter from your employer if your hours are reduced

If your income has not changed, you are expected to pay your full rent as usual.
